

*Gardening is easier than you think, let me inspire
you and give you the seeds of success!*

Are you concerned about . . .
food prices?

lettuce traveling 1200 miles to reach the store shelf?

Want to make a difference for you and your family,
for the earth and have a little fun outdoors?

***Herban Gardens
Offers
Vegetable Garden
Consultation and Installation Services***

Consultations include site review and selection; suggestions for
plant varieties, recommendations for organic fertilizers and soil
fertility; guidance on how to integrate, manage and plan for
getting results,
and more! **\$15/hour-March, April and May**

Installations include rototilling, soil preparation, raised bed
preparation, seeding and transplanting
\$45/hour-April, May and first week of June

Packages are available. Lisa Beaudoin of Herban Living Farm
is a small scale organic farmer, see her beautiful work at
